What advertisers and buyers are saying about The Shepherd's Guide:

Ps. Richard Adjei

"I must commend the Shepherd's Guide. We advertised in it and received our church's copies about a month ago. So far I have received two calls from people who saw our church in the Shepherd's Guide. God bless you for the good work you are doing for His people."

Bonnie Jean Bamford

"In the last year we have used your guide for services we needed. We have used the plumber a couple of times, contractor for basement repairs and someone to regrade our lot. Their services were outstanding; I felt they each did an excellent job and would not hesitate to hire them again. Thank you for putting this valuable resource in our hands."

Steve

"I love how it is interspersed with encouraging passages from scripture and all the indexes are easy to ready."

Tim Richer

"Just wanted to thank you and your team. I had my first freelance job come in as a result of my ad on your website!"

Deitre Haraszkiwicz

"I thought you might like to hear that, for me, the luncheon was a great success. I received 3 solid leads for future mortgage clients. Thank you for going the extra mile for your clients."

Garage Customer

"The other day I was in a garage in Brantford and the customer was from Hamilton. I asked how he found this Christian owned garage and he told me through The Shepherd's Guide."

*– Christians go out of their way
to do business with Christians.*

Darlene Suecroft

"I really appreciate your directory and am very pleased with a christian insurance company that I found listed."

Lise Beaudoin

"My husband and I have used the Shepherd's Guide to help us find car dealers, dentists, Appliance repairs shops, etc... throughout the last 20 or so years. We greatly appreciate this resource. One of my Church friends has found a good lawyer in the Shepherd's Guide. God bless you for making such a wonderful resource."

Local Pastor

"A local Pastor was contacted by two different families who needed a church to conduct a funeral in the loss of a loved one. They found his church in The Shepherd's Guide. This pastor was able to offer comfort and counsel to the grieving families and two individuals accepted Christ as Saviour. Amen!"
